

Bluff Dale Independent School District

District Improvement Plan

2021-2022

Mission Statement

Educational Excellence with Integrity

Vision

To provide students, staff and community with a positive, innovative learning environment that generates a thirst for lifelong learning through effort and great expectations.

Value Statement

The following belief statements represent the fundamental convictions, values, and character of Bluff Dale ISD and will be reflected through our behaviors and district improvement efforts.

- We believe that every student can learn regardless of gender, ethnicity, and socioeconomic status.
- We believe that schools should provide a safe, secure, and well-disciplined learning environment.
- We believe that educators hold the key to student success and thus are committed to having high expectations for ourselves in providing leadership and support to realize the vision.
- We believe in promoting community service, individual worth, and respect for the cultural diversities and contributions of others.
- We believe that students must be taught "how to learn," and challenged to think logically, independently, and creatively so that they can live and work in a world that is rapidly changing.
- We believe in promoting partnerships that will increase community support and parental participation in promoting the social, emotional, and academic growth of children.
- We believe that communication is a vital part of student success.
- We believe our actions should be visionary and proactive in purpose through personnel, parents, pupils, and programs.
- We believe in managing our resources in a manner that will foster equity, quality, and accountability.

So that...Student Performance will be enhanced!

Goals	11
Goal 1: The percent of 3rd grade students that score meets grade level or above on STAAR Reading will increase from 31% to 65% by June 2024 with at least 50% in 2022.	12
Goal 2: The percent of 3rd grade students that score meets grade level or above on STAAR Math will increase from 31% to 65% by June 2024 with at least 50% in 2022.	18
Goal 3: The percent of 4th and 5th grade students that score meets grade level or above on STAAR Reading will increase from 64% to 65% by June 2024 with at least 65% in 2022.	22
Goal 4: The percent of 4th and 5th grade students that score meets grade level or above on STAAR Math will increase from 31% to 65% by June 2024 with at least 50% in 2022.	26
Goal 5: The percent of 6th through 8th grade students that score meets grade level or above on STAAR Reading will increase from 42% to 65% by June 2024 with at least 55% by 2022.	28
Goal 6: The percent of 6th through 8th grade students that score meets grade level or above on STAAR Math will increase from 30% to 65% by June 2024 with at least 55% by 2022.	32
Goal 7: The percent of high school students that score meets grade level or above on STAAR EOC exams will increase from 49% to 75% by June 2024 with at least 60% by 2022.	36
Goal 8: The percent of students in grades 5 and 8 that score on grade level or above on the STAAR Science assessment will increase from 73% to 75% in 2022.	46
Goal 9: The percent of students in grade 8 that score on grade level or above on the STAAR Social Studies assessment will remain above 75% in 2022. It was 100% in 2021.	50
Goal 10: The percentage of graduates that meet the criteria for the CCMR Outcome Bonus will grow to 60% by August 2024 with at least 40% by 2022.	54
Goal 11: Quality Learning Environments and Facilities: BDISD will promote nurturing, safe, and orderly environments and quality facilities to facilitate the implementation of 21st century learning skills.	57
Goal 12: Positive Perceptions, Relationships, and Collaborations: BDISD will enhance and build positive perceptions, relationships, and collaboration among parents/community and staff.	66
Goal 13: Fiscal and Facility Accountability: BDISD will ensure fiscal & facility accountability through sound stewardship of the district's resources.	69
Goal 14: Quality Staff: All positions will be fielded by highly qualified candidates/professionals.	71

Comprehensive Needs Assessment

Needs Assessment Overview

Needs Assessment Overview Summary

Bluff Dale has been through several changes over the last four years, leading to growth-related problems.

Financial issues- due to the small enrollment and increasing district values, BDISD was sending a substantial amount of funds back to the state. Due to this, the district has struggled financially for the last several years. The passage of a Tax Ratification Election, opening a high school, and thus increasing enrollment ameliorated the financial problems somewhat. However, the building of a secondary building, which ended up costing more than the \$5.1 million bond, caused more financial problems. House Bill 3 increased funding for schools and helped the financial situation in the short term, but increased spending requirements, and enrollment and other COVID issues erased much of that gain.

To remedy the enrollment issue, the district chose to open a high school, moving from a PK-8 school to a PK-12 school. This move was made with little extra funding so the first year there were few offerings and the creation of graduation plans based on what was offered was problematic. This was exacerbated by having high school students coming from so many different schools and types of schools. All classes from grades 3 through 12 were in portables. A \$5.1 million bond was passed to build a new secondary building.

BDISD suffered growing pains in 2018/2019. The transition to a PK-12 school was difficult for much of the staff. This led to an 80% turnover in staff. The staff has been much more consistent in the last two years. The transition to a PK-12 school continues. We now have a full-time principal, full-time counselor, and full-time superintendent. The business/HR department has been separated from PEIMS and we have a PEIMS coordinator.

Due in part to the financial issues, BDISD was very far behind in technology in 2018/2019- still utilizing Windows Vista and Windows 7 computers. Almost no mobile end-user devices existed in the district. Utilizing ERATE funds, the new secondary building has state of the art technology including WIFI. The elementary building WIFI was updated, but still needs more network updates that will be addressed with 2021/2022 ERATE funding. The district is still far behind in end-user devices. We have purchased some Chromebooks and have more on the way. All of these have been purchased using grant programs. In order to ease the transition to an up-to-date technology program, BDISD ordered reconditioned Windows 10 laptops that have helped but are not very reliable. The lack of hardware and leadership in technology led to very little implementation of blended learning solutions. The offerings have increased substantially over the last two years, but students are still somewhat reluctant to use the technology to its fullest. As we are able to afford more up-to-date end-user devices, and students gain more confidence with their use, students will find more success with blended learning solutions- thus more success overall.

Demographics

Demographics Summary

Bluff Dale ISD is a small district with only one campus. We have 246 students and 40 employees including 22 teachers. BDISD has one teacher each for each grade in PK-3. Grades 4 and 5 are departmentalized with one teacher providing instruction in math and science and the other teaching ELA and social studies. BDISD provides art instruction for all students in grades PK-7 and in certain classes in grades 8-12. Physical education is provided for all students in grades PK-9. Athletics is offered to all students in grades 7-12. The junior high is completely departmentalized having a different teacher for each of the core areas. The high school is in its fifth year, with the fourth senior class. Generally, we have twenty students in grades PK-3 and between 8 and 20 in grades 4-12.

Bluff Dale ISD is growing and becoming more diverse and mobile. It is generally made up of the community of Bluff Dale, Mountain Lakes, and surrounding rural areas.

The staff at BDISD is growing more diverse as well. Some have more than 30 years of experience while some are in their first year. Given the limited housing availability, many of our staff members live in surrounding communities while a few live just down the street from the school. One of the strengths of Bluff Dale is the diversity of our educators. We have teachers from Oklahoma, Wyoming, Idaho, and Texas.

For more detailed information, the 2020/2021 TAPR is attached.

Demographics Strengths

For a small school, Bluff Dale has a varied teaching staff, coming from several states and different size schools. BDISD teachers also differ in the number of years of experience. We have many new teachers mixed with teachers with over 20 years of experience.

Our student population is more dissimilar than in the past as well. As Mountain Lakes continues to grow, we have students coming from different areas.

Problem Statements Identifying Demographics Needs

Problem Statement 1: Increased student mobility. **Root Cause:** Growth of the area bringing in new students along with an increase in the requests for transfers into our district.

Problem Statement 2: Students in the 4th and 5th grades in 2020/2021 showed less progress from 2019 to 2021 with no class or subject scoring above 40% "met" standard. **Root Cause:** COVID 19 shut down caused some students to be behind at the beginning of the 2020/2021 school year. Newer teachers in that grade level struggled to get the students caught up.

Problem Statement 3: At-risk students underperformed on all tests except writing compared to students not at-risk. **Root Cause:** Success on the STAAR is one of the main indicators of at-risk.

Student Learning

Student Learning Summary

Given the current situation over the last two years with COVID, our students, overall, were very successful on the 2021 STAAR test. Bluff Dale outperformed the state and the region on Domain 1, student achievement. When considering all subjects and all grade levels, Bluff Dale ISD improved in all areas from 2019 to 2021 while the state and region declined.

The spring 2021 STAAR and fall 2021 interim scores do so some areas of concern, especially in 4th and 5th grades.

Student Learning Strengths

District Processes & Programs

District Processes & Programs Summary

Starting a new high school and opening a new secondary building brings challenges and changes. BDISD has gone through several changes over the past few years. During the 2016/2017 school year, it was decided to add a high school to the district. The first year for the high school was 2017/2018, including grades 9-11. A senior year was added in 2018/2019. With the addition of a high school came many changes including varsity athletics and FFA/Junior FFA. Housing the new high school was problematic since the existing building only had 6 classrooms. More portables were added to provide space for the new classes. A bond election was passed that provided \$5.1 million dollars to complete a new high school building and a competition gym. With the growing enrollment, four classrooms were added for grades 4-8.

The district added a full-time principal position in 2018/2019 and a full-time counselor in 2020/2021. In 2021/2022, the counselor took over the high school principal duties. Between 2017/2018 and 2018/2019, staff turnover was higher than the state average. With the addition of a new building, a new administrative assistant/PEIMS position was created in 2019/2020. During the first two years, BDISD made extensive use of TxVSN, Region 11, and OdysseyWare to provide some courses for the high school students. The use of these programs was greatly reduced in 2019/2020 with most classes taught by our teachers in the new building. BDISD has an MOU with Ranger College to provide online dual credit classes.

BDISD uses the TEKS Resource System as its guaranteed viable curriculum. The main curriculum resource for K-8 ELA is HMH, adopted in 2019, and K-5 Math is Go Math. 6th-8th grade uses Math Explorations. Stemscopes is used for K-8 Science, while Social Studies Weekly is used in the K-5 classes to teach the Social Studies TEKS. 6th-8th grade classes use McGraw Hill as a resource to teach the Social Studies TEKS. High School ELA adopted Savas (Pearson) during the Spring of 2020. High School Math, Science, and Social Studies utilize a combination of HMH, Pearson, and McGraw Hill.

District Processes & Programs Strengths

BDISD received a superior "FIRST" financial rating.

BDISD is growing and adding staff.

BDISD opened a new building.

BDISD met the goal of having an adequate fund balance in August 2021.

Perceptions

Perceptions Summary

Mission: Educational Excellence with Integrity

Vision: To provide students, staff and community with a positive, innovative learning environment that generates a thirst for lifelong learning through effort and great expectations.

Values: High Expectations, Respect, Hospitality/Welcoming, Humility, Positivity, Communication, Community, Safe, Involved, Professionalism, Passionate, Leadership, Flexibility, Wisdom, Pride

Character Development: 7 Habits of Highly Effective People (1. Be Proactive, 2. Begin with the End in Mind, 3. Put First things First, 4. Think Win, Win, 5. Seek to Understand and then to be Understood, 6. Synergize, 7. Sharpen the Saw) Growth Mindset (Focus on the Process, Learn From Failure, The Power of Yet)

Perceptions Strengths

BDISD is a growing school.

BDISD is raising academic expectations.

BDISD has many community members willing to serve and help the school.

Priority Problem Statements

Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

Improvement Planning Data

- District goals
- Campus goals
- HB3 Reading and math goals for PreK-3
- HB3 CCMR goals
- Performance Objectives with summative review (prior year)
- Campus/District improvement plans (current and prior years)

Accountability Data

- Texas Academic Performance Report (TAPR) data
- Student Achievement Domain
- Student Progress Domain
- Closing the Gaps Domain
- Effective Schools Framework data
- Comprehensive, Targeted, and/or Additional Targeted Support Identification data
- Federal Report Card Data

Student Data: Assessments

- State and federally required assessment information
- (STAAR) current and longitudinal results, including all versions
- STAAR End-of-Course current and longitudinal results, including all versions
- STAAR released test questions
- STAAR EL progress measure data
- Texas Primary Reading Inventory (TPRI), Tejas LEE, or other alternate early reading assessment results
- Postsecondary college, career or military-ready graduates
- Postsecondary college, career or military-ready graduates including enlisting in U. S. armed services, earning an industry based certification, earning an associate degree, graduating with completed IEP and workforce readiness
- Texas Success Initiative (TSI) data for postsecondary/college-ready graduates data
- SAT and/or ACT assessment data
- Student Success Initiative (SSI) data for Grades 5 and 8
- SSI: Istation Indicators of Progress (ISIP) accelerated reading assessment data for Grades 3-5 (TEA approved statewide license)
- Student failure and/or retention rates
- Local benchmark or common assessments data
- Running Records results
- Istation Indicators of Progress (ISIP) reading assessment data for Grades PK-2
- Prekindergarten Self-Assessment Tool
- Texas approved PreK - 2nd grade assessment data

Student Data: Student Groups

- Race and ethnicity data, including number of students, academic achievement, discipline, attendance, and rates of progress between groups
- Economically Disadvantaged / Non-economically disadvantaged performance, progress, and participation data
- Male / Female performance, progress, and participation data
- Special education/non-special education population including discipline, progress and participation data
- At-risk/non-at-risk population including performance, progress, discipline, attendance, and mobility data
- Section 504 data
- Homeless data
- Gifted and talented data
- Dyslexia Data
- Response to Intervention (RtI) student achievement data
- Dual-credit and/or college prep course completion data

Student Data: Behavior and Other Indicators

- Completion rates and/or graduation rates data
- Annual dropout rate data
- Attendance data
- Mobility rate, including longitudinal data
- Discipline records
- Violence and/or violence prevention records
- Tobacco, alcohol, and other drug-use data
- Student surveys and/or other feedback
- Class size averages by grade and subject
- School safety data

Employee Data

- Teacher/Student Ratio
- State certified and high quality staff data
- Campus leadership data
- Professional development needs assessment data

Parent/Community Data

- Parent surveys and/or other feedback

Support Systems and Other Data

- Processes and procedures for teaching and learning, including program implementation
- Communications data
- Capacity and resources data
- Budgets/entitlements and expenditures data

Goals

Goal 1: The percent of 3rd grade students that score meets grade level or above on STAAR Reading will increase from 31% to 65% by June 2024 with at least 50% in 2022.

Performance Objective 1: The percent of PreK students that score on grade level or above in Reading on the CLI will increase to 80% by June 2024 with at least 70% in 2022.

Targeted or ESF High Priority

Strategy 1 Details	Reviews			
Strategy 1: Implement the Texas Resource System (YAG, IFDs) to foster vertical alignment for all core classes in all grade levels. Strategy's Expected Result/Impact: Curriculum will be vertically and horizontally aligned Staff Responsible for Monitoring: Teacher and Principal Schoolwide and Targeted Assisted Title I Elements: 2.5	Formative			Summative
	Nov	Jan	Mar	June
Strategy 2 Details	Reviews			
Strategy 2: Math centers along with guided math instruction will be implemented in 3rd grade. Strategy's Expected Result/Impact: Students will practice various math concepts in different contexts. They will also receive math instruction that addresses their deficiencies in math. Staff Responsible for Monitoring: Teacher and Principal Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.5, 2.6	Formative			Summative
	Nov	Jan	Mar	June
<div>  No Progress  Accomplished  Continue/Modify  Discontinue </div>				

Goal 3: The percent of 4th and 5th grade students that score meets grade level or above on STAAR Reading will increase from 64% to 65% by June 2024 with at least 65% in 2022.

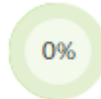

Performance Objective 1: 90% of 4th and 5th grade students will meet at least the approaches standard on STAAR Reading.

Targeted or ESF High Priority

HB3 Goal

Evaluation Data Sources: STAAR Summary Reports and TAPR.

Strategy 1 Details	Reviews			
Strategy 1: Implement the Texas Resource System (YAG, IFDs) to foster vertical alignment for all core classes in all grade levels. Strategy's Expected Result/Impact: Curriculum will be vertically and horizontally aligned Staff Responsible for Monitoring: Teacher and Principal Schoolwide and Targeted Assisted Title I Elements: 2.5	Formative			Summative
	Nov	Jan	Mar	June
Strategy 2 Details	Reviews			
Strategy 2: IXL, STAR Reading and STAR Math will be used to enrich student learning and monitor their progress. Strategy's Expected Result/Impact: The students' learning needs will be met. Staff Responsible for Monitoring: Teacher and Principal Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.5, 2.6	Formative			Summative
	Nov	Jan	Mar	June
Strategy 3 Details	Reviews			
Strategy 3: 4th and 5th grade will use Balanced Literacy (Modeled Reading and Writing, Think Alouds, Shared Reading and Writing, Reader's Workshop and Writing, Word Study) Strategy's Expected Result/Impact: 4th and 5th grade students' reading levels and writing will be on grade level according to district approved reading levelers and writing rubrics. Staff Responsible for Monitoring: Teacher and Principal Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.5, 2.6	Formative			Summative
	Nov	Jan	Mar	June

Strategy 4 Details	Reviews			
Strategy 4: Provide Dyslexia interventions and instruction, using MTA, to students who qualify based on the district screening process. Strategy's Expected Result/Impact: Students will achieve a year's growth, closing their academic gaps, on state and district assessments. Staff Responsible for Monitoring: teacher, principal	Formative			Summative
	Nov	Jan	Mar	June
Strategy 5 Details	Reviews			
Strategy 5: Add an instructional interventionist to provide tier 3 instruction. Strategy's Expected Result/Impact: Increase student performance in reading. Staff Responsible for Monitoring: interventionist, teacher, principal Schoolwide and Targeted Assisted Title I Elements: 2.4, 2.6	Formative			Summative
	Nov	Jan	Mar	June
				
<div>  No Progress  Accomplished  Continue/Modify  Discontinue </div>				

Goal 3: The percent of 4th and 5th grade students that score meets grade level or above on STAAR Reading will increase from 64% to 65% by June 2024 with at least 65% in 2022.

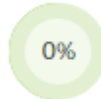

Performance Objective 2: 30% of 4th and 5th grade students will meet the masters standard on STAAR Reading.

Targeted or ESF High Priority

SC5600

SC5600 - Comprehensive Local Needs Assessment

Purpose

One of the most significant changes introduced in the Strengthening Career and Technical Education for the 21st Century Act (Perkins V) is the new comprehensive local needs assessment (CLNA).

The law states, "To be eligible to receive financial assistance under this part, an eligible recipient shall— (A) conduct a comprehensive local needs assessment related to career and technical education and include the results of the needs assessment in the local application submitted under subsection (a); and (B) not less than once every 2 years, update such comprehensive local needs assessment."

2020-2021 SC5600 Comprehensive Local Needs Assessment

SC5600

SC5600 - Comprehensive Local Needs Assessment

Part 2: Student Performance

Evaluate student performance on federal accountability indicators.

1. Identify the Perkins performance accountability indicator targets not being met at the LEA level.

- | | |
|---|---|
| <input type="checkbox"/> 1S1: Four-Year Graduation Rate | <input type="checkbox"/> 3S1: Postsecondary Placement |
| <input type="checkbox"/> 1S2: Extended Graduation Rate | <input type="checkbox"/> 4S1: Non-traditional Program Enrollment |
| <input type="checkbox"/> 2S1: Academic Proficiency in Reading/Language Arts | <input type="checkbox"/> 5S1: Attained Recognized Postsecondary Credential |
| <input type="checkbox"/> 2S2: Academic Proficiency in Mathematics | <input type="checkbox"/> 5S4: CTE Completer |
| <input type="checkbox"/> 2S3: Academic Proficiency in Science | <input type="checkbox"/> All Perkins performance accountability indicator targets have been met at the LEA level. |

2. ☐ 2020-2021 LEA baseline data and state baseline data have been reviewed in TEAL and LEA will include strategies for improvement in the local application that address areas of low performance.

3. Compare the performance of CTE Learners with non-CTE Learners on accountability indicators. Include possible explanations for any differences.

Bluff Dale ISD added a high school, grades 9-11, for the 2017-2018 SY. Data is not available.

TEA Use Only

CTE Review: ☐ Accept ☐ Reject

4. Compare the performance of each special population in the CTE program with the performance of all CTE Learners at the LEA level.

Bluff Dale ISD added a high school, grades 9-11, for the 2017-2018 SY. Data is not available.

TEA Use Only

CTE Review: ☐ Accept ☐ Reject

5. Describe how CTE Learners from different genders, races, and ethnicities are performing in the CTE programs at the LEA level.

Bluff Dale ISD added a high school, grades 9-11, for the 2017-2018 SY. Data is not available.

TEA Use Only

CTE Review: ☐ Accept ☐ Reject

Part 3: Labor Market Alignment

Part 3 is hidden because it does not apply to the selected application designation.

SAS#: PERKAA21

Organization: BLUFF DALE ISD
 Campus/Site: N/A
 Vendor ID: 1751612630

County District: 072904
 ESC Region:11
 School Year: 2020-2021

2020-2021 SC5600 Comprehensive Local Needs Assessment

SC5600

SC5600 - Comprehensive Local Needs Assessment

Part 4: Programs of Study/Size, Scope, and Quality

Evaluate the core elements required for a state-approved program of study as well as meet the state's definition of size, scope and quality.

1. Based on the LEA's high school enrollment, describe how the number of programs of study offered align with the number of students who could potentially be served.

Bluff Dale ISD added a high school, grades 9-11, for the 2017-2018 SY. Data is not available.

HOWEVER, our enrollment only requires us to offer one program of study. Currently we offer two.

TEA Use Only

CTE Review: ☐ Accept ☐ Reject

2. Describe the involvement of secondary partners, postsecondary partners and employer/industry partners in the development, implementation, and phasing out/closure of CTE programs of study.

Bluff Dale ISD added a high school, grades 9-11, for the 2017-2018 SY. Data is not available.

HOWEVER, Bluff Dale ISD has utilized the guidance of students (student advisory council), parents, community members, business owners, and staff (district wide improvement committee), and post-secondary representatives to develop and implement new programs of study.

TEA Use Only

CTE Review: ☐ Accept ☐ Reject

3. Identify any gap areas between opportunities for students to participate in work-based learning and complete advanced academic courses compared to your enrollment.

Bluff Dale ISD added a high school, grades 9-11, for the 2017-2018 SY. Data is not available.

HOWEVER, our secondary programs are still in the development phase to provide adequate work-based learning. Currently, we provide ALL students opportunities to explore future career opportunities through technology, teachers, and industry guests.

Bluff Dale ISD currently partners with Ranger College to offer secondary students the opportunity for advanced academics.

2020-2021 SC5600 Comprehensive Local Needs Assessment

SC5600

SC5600 - Comprehensive Local Needs Assessment

Part 7: Summary

LEAs will merge the analyses outlined above into one set of findings.

1. Describe the LEA's overall mission and vision for CTE programming.

- CTE Vision Statement: CTE students will confidently and successfully transition into post-secondary and career opportunities in a global society.
- CTE Mission Statement: CTE will prepare students for college and career readiness by offering experiential learning, post-secondary credits, and industry certifications. Students will be empowered to attain technical and high-level academic skills, equipping them to be lifelong learners.

TEA Use Only

CTE Review: ☐ Accept ☐ Reject

2. List the top (three-five) CTE priorities over the next four-years.

- Continually develop and sustain industry and community partnerships to improve the quality of CTE programs.
- Increase number of students earning industry certifications to help increase their marketability in the workforce.
- Keep career pathways and endorsement standards relevant and reflective of current business and industry standards.

TEA Use Only

CTE Review: ☐ Accept ☐ Reject

3. List the top three most aligned CTE programs of study based on regional labor market information and the plan for continuing support or expansion of these programs. List the three least aligned CTE programs of study and the plan for transforming or retiring these programs of study.

- Bluff Dale ISD added a high school, grades 9-11, for the 2017-2018 SY. Data is not available.
- Currently, Bluff Dale ISD only offers Agriculture: Animal Systems and Manufacturing: Welding.
 - We are in the development stages of offering a program of study in the Information Technology pathway.

TEA Use Only

CTE Review: ☐ Accept ☐ Reject

4. List the LEA's lowest performance indicators and describe strategies to improve student performance.

Bluff Dale ISD added a high school, grades 9-11, for the 2017-2018 SY. Data is not available.

Part 2: Student Performance

1. ?
2. Compare the performance of CTE Learners with non-CTE Learners on accountability indicators. Include possible explanations for any differences.
Bluff Dale ISD added a high school, grades 9-11, for the 2017-2018 SY. Data is not available.
3. Compare the performance of each special population in the CTE program with the performance of all CTE Learners at the LEA level.
Bluff Dale ISD added a high school, grades 9-11, for the 2017-2018 SY. Data is not available.
4. Describe how CTE Learners from different genders, races, and ethnicities are performing in the CTE programs at the LEA level.
Bluff Dale ISD added a high school, grades 9-11, for the 2017-2018 SY. Data is not available.

Part 4: Programs of Study/Size, Scope, and Quality

1. Based on the LEA's high school enrollment, describe how the number of programs of study offered align with the number of students who could potentially be served.
Bluff Dale ISD added a high school, grades 9-11, for the 2017-2018 SY. Data is not available.

HOWEVER, our enrollment only requires us to offer one program of study. Currently we offer two.

2. Describe the involvement of secondary partners, postsecondary partners, and employer/industry partners in the development, implementation, and phasing out/closure of CTE programs of study.
Bluff Dale ISD added a high school, grades 9-11, for the 2017-2018 SY. Data is not available.

HOWEVER, Bluff Dale ISD has utilized the guidance of students (student advisory council), parents, community members, business owners, and staff (district wide improvement committee), and post-secondary representatives to develop and implement new programs of study.

3. Identify any gap areas between opportunities for students to participate in work-based learning and complete advanced academic courses compared to your enrollment.
Bluff Dale ISD added a high school, grades 9-11, for the 2017-2018 SY. Data is not available.

HOWEVER, our secondary programs are still in the development phase to provide adequate work-based learning. Currently, we provide ALL students opportunities to explore future career opportunities through technology, teachers, and industry guests.

Bluff Dale ISD currently partners with Ranger College to offer secondary students the opportunity for advanced academics.

Part 7: Summary

1. Describe the LEA's overall mission and vision for CTE programming.
 - *CTE Vision Statement: CTE students will confidently and successfully transition into post-secondary and career opportunities in a global society.*
 - *CTE Mission Statement: CTE will prepare students for college and career readiness by offering experiential learning, post-secondary credits, and industry certifications. Students will be empowered to attain technical and high-level academic skills, equipping them to be lifelong learners.*
2. List the top (3-5) CTE priorities over the next four years.

Bluff Dale ISD added a high school, grades 9-11, for the 2017-2018 SY. Data is not available.

 - *Continually develop and sustain industry and community partnerships to improve the quality of CTE programs.*
 - *Increase number of students earning industry certifications to help increase their marketability in the workforce.*
 - *Keep career pathways and endorsement standards relevant and reflective of current business and industry standards.*
3. List the top three most aligned CTE programs of study based on regional labor market information and the plan for continuing support or expansion of these programs. List the three least aligned CTE programs of study and the plan for transforming or retiring these programs of study.

Bluff Dale ISD added a high school, grades 9-11, for the 2017-2018 SY. Data is not available.

 - *Currently, Bluff Dale ISD only offers Agriculture: Animal Systems and Manufacturing: Welding.*
 - *We are in the development stages of offering a program of study in the Information Technology pathway.*
4. List the LEA's lowest performance indicators and describe strategies to improve student's performance.

Bluff Dale ISD added a high school, grades 9-11, for the 2017-2018 SY. Data is not available.
